

SPNZ SPORTS PHYSIOTHERAPY
NEW ZEALAND

Concussion Management

Side-line assessment through to return to play

Christchurch Workshop Feedback

"Good update on current research/guidelines etc. Consistent message applicable to all scenarios."

"Would strongly recommend to all physios who work pitchside or in contact sport"

"I have just started rugby physio this year and have been very worried and anxious re treatment & management of concussions. But now I feel a lot more confident with my ability. Thank you for this course"
